

Spinx Tokenomics (SPX)

Total Supply: 100%

Distribution

- **85% – Fair Launch (Pump.Fun)**
 - Majority of supply available to the community from day one.
 - No presale, no private investors, no hidden allocations.
 - **15% – Team Allocation**
 - Acquired by the Spinx team at launch.
 - **12-month linear vesting** with monthly unlocks.
 - Ensures the team is invested in long-term growth.
-

Utility of SPX

- Only token for creating and joining challenges.
 - Required to stake and create jackpot vaults.
 - Directly tied to platform demand and usage.
 - Governance participation in future DAO.
-

 **Fair launch for players, vested commitment from the team, and real utility built into every game.**
