

Spinx Privacy Policy

Last Updated: 30.09.2025

Spinx ("the Platform") respects your privacy. This policy explains what information is and is not collected when using our decentralized application.

1. No Personal Data Collected

- Spinx does not collect names, addresses, phone numbers, email addresses, or government IDs.
- No Know-Your-Customer (KYC) procedures are performed.

2. Wallet Connections

- Users connect to the Platform using a compatible Solana wallet.
- Wallet addresses are pseudonymous and under the user's control.

3. On-Chain Activity

- All transactions, balances, and game outcomes are recorded on the Solana blockchain, which is public and outside of Spinx's control.

4. Third-Party Services

- The Platform may integrate with Solana RPC providers or randomness oracles (e.g., ORAO VRF). These services have their own privacy policies.

5. Children's Use

- Spinx is not intended for individuals under the legal gambling age in their jurisdiction.

6. Policy Changes

- Updates will be published on this page. Continued use of the Platform indicates acceptance.
